Roommate Matchup Questionnaire

Please initial here stating you understand that roommate matching is a complimentary service completed to the best of the staff's abilities and by no way guarantees compatibility. I will in no way hold the YMCA Staff responsible for any incompatibility between me and my roommate(s).

1. Personal Hours: Early to bed, early to rise -- I start winding down early in the evening and I'm pretty energetic in the morning.				Flexible -- My personal hours change depending on what's happening in my life.		Night Owl -- I stay up late and sleep in often.	
2. In-Room Study Habits: Multitasker -- I like to have music or the television on all the time in my room or can talk on the phone while doing homework.		Ambient Noise -- I don't mind some background noise in my room, but need to have fewer distractions to study effectively.		Quiet -- I require quiet and no distractions in my room to really get stuff done.		Don't Take Work Home -- I do my reading or homework at the lab, in the library, or in cafés, I try not to do homework in my room.	
3. Socializing in the Halls: Room is a Social Hub -- I enjoy people dropping by at all times.			Room Use Varies -- I invite friends over but also need specified quiet time for studying.			Room is a sanctuary -- I need to have privacy and personal space most of the time.	
4. Approach to Cleanliness: Messy -- I drop my stuff right where I'm standing and it stays there until I need it again.			Casual -- My space is fairly clean with some clutter.			Neat -- I am orderly, clean, and tidy.
