

ATHERTON YMCA COLLEGE CAMP 2020
Teacher Recommendation

Aloha Teachers,

Thank you for taking the time to complete this recommendation. Your recommendation, along with the student’s application will help our team at the YMCA anonymously fill the limited spaces available for our College Camp program. Each program is free of charge to students thanks to the generosity of our sponsors and annual campaign donors. If you have any questions, please contact our team at collegecamp@ymcahonolulu.org.

College Camp is a week-long experience for rising sophomores (first year) and rising juniors (second year) to learn about the college admissions process and develop their own college and career aspirations. Year one (rising sophomores) is focused on community service, touring college campuses, learning about the admissions process, and meeting with professionals from a variety of fields they might want to pursue. Year two (rising juniors) teaches students about how social media can impact admissions, completing a FAFSA, applying for scholarships, writing a personal statement, meeting with professionals, and sitting in on an actual summer college course.
